KEY FEATURES OF THE SUB-FUND

WHAT ARE YOU INVESTING IN?

- You are investing in an ILP Sub-Fund that feeds 100% into the Underlying Fund, a sub-fund of Threadneedle Investment Funds ICVC, which is an open-ended investment company with variable capital incorporated in England and Wales.

Please refer to Page 17 of the Underlying Fund’s Prospectus, under the section “Investment objectives, policies

¹ For ILP sub-funds that feed 100% into an underlying CIS fund, some of the information provided below could be similar to the underlying CIS fund.

² In order for units in the ILP sub-fund to be classified as Excluded Investment Products, the investment objectives and investment focus of the ILP sub-fund, and investment approach of the manager have to be stated in the product summary:

- to invest only in deposits or other Excluded Investment Products; and
- not to engage in securities lending or repurchase transactions for the ILP sub-fund.

The definition of “Excluded Investment Product” can be found in Annex 1 to the Notice on Recommendations on Investment Products [Notice No. FAA-N16] at <http://www.mas.gov.sg/Regulations-and-Financial-Stability/Regulations-Guidance-and-Licensing/Financial-Advisers/Notices.aspx>.

Investment Strategy	
The Underlying Fund aims to achieve a total return comprising primarily income with some capital growth by investing in a managed portfolio of fixed income securities worldwide.	Please refer to Page 17 on the Underlying Fund’s Prospectus, under the section “Investment objectives, policies and other details of the Funds” on the investment strategy of the Sub-Fund.
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The umbrella fund under which the Underlying Fund is constituted is Threadneedle Investment Funds ICVC • The Investment Manager of the Underlying Fund is Threadneedle Asset Management Limited. • The Authorised Corporate Director of the Underlying Fund is Threadneedle Investment Services Limited. • The Depository of the Underlying Fund is Citibank Europe plc, UK Branch. 	Please refer to the Underlying Fund’s Prospectus for further information on the role and responsibilities of these entities.
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The investments of the Threadneedle Investment Funds ICVC are subject to normal market fluctuations and other risks inherent in investing in securities. There can be no assurance that any appreciation in value of investments will occur. The value of investments and the income derived from them may fall as well as rise and investors may not recoup the original amount invested in the Threadneedle Investment Funds ICVC. Past performance is not indicative of future performance. There is no assurance that the investment objective of the Underlying Fund will actually be achieved.</p>	Please refer to Page 26 of the Underlying Fund’s Prospectus, under section “Risk Factors” for further information on risks of the Sub-Fund.
Market and Credit Risks	
<ul style="list-style-type: none"> • You are exposed to general market risks <ul style="list-style-type: none"> ○ The value of investments can fall as well as rise and you might not get back the sum originally invested, especially if investments are not held for the long term. • You are exposed to credit risk <ul style="list-style-type: none"> ○ The Underlying Fund invests in securities whose value would be significantly affected if the issuer refused, was unable to or was perceived to be unable to pay. • You are exposed to exchange rate risks <ul style="list-style-type: none"> ○ Where investments are made by the Underlying Fund in assets that are denominated in currencies other than USD (the reference currency of the Fund), changes in exchange rates may affect the value of your investments. ○ The Underlying Fund and share classes offered may not be denominated in SGD and you may therefore be exposed to additional exchange rate 	

risks if your reference currency is SGD.		
Liquidity Risks		
<ul style="list-style-type: none"> • You are exposed to liquidity risk <ul style="list-style-type: none"> ○ The Underlying Fund holds assets which could prove difficult to sell. The Underlying Fund may have to lower the selling price, sell other investments or forego more appealing investment opportunities. 		
Product-Specific Risks		
<ul style="list-style-type: none"> • You are exposed to capital growth risk The Underlying Fund may deduct the annual management charge from capital rather than from income. This may erode capital or reduce the potential for capital growth over time. • You are exposed to volatility risk The Underlying Fund may exhibit significant price volatility. • You are exposed to inflation risk Most bond funds offer limited capital growth potential and an income that is not linked to inflation. Therefore, inflation can affect the value of capital and income over time. • You are exposed to interest rate risk Changes in interest rates are likely to affect the Underlying Fund's value. In general, as interest rates rise, the price of a fixed rate bond will fall, and vice versa. • You are exposed to risks related to the use of derivatives The Underlying Fund may invest in derivatives with the aim of reducing risk or minimising the cost of transactions. Such derivative transactions may benefit or negatively affect the performance of the fund. The Manager does not intend that such use of derivatives will affect the overall risk profile of the Underlying Fund.

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

All ILP sub-funds will be priced based on the frequency of the fund manager’s pricing. The fund prices are available at Aviva Ltd’s website at www.aviva.com.sg.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a request for withdrawal or fund switching (i.e. switches) to Aviva Ltd.
- If your Policy is newly incepted, you may cancel the Policy by giving us written notice of cancellation provided that such notice of cancellation is received by Aviva Ltd at its Registered Office within the free-look period, which is fourteen (14) days from the date on which you receive the Policy.
- Upon cancellation of the Policy, Aviva Ltd will sell all units allocated to the Policy at the next appropriate Fund Valuation Date and will pay all sums received upon such sale to you on or before the settlement Date. No increase in market value of the units allocated to the Policy shall be payable to you. No interest shall accrue or be payable on any sums payable to you pending payment. Any applicable Fees and Credit Card Charges deducted from the Policy will be refunded to you and the exit Fee will be waived.
- For subsequent withdrawal/surrender or fund switching, Aviva Ltd must receive your applications by 12 noon (Singapore Time) for the withdrawal/surrender or switches to be based on the same working day’s price and currency conversion (if required). Applications received after 12 noon (Singapore Time) will be allocated using the next working day’s price and currency conversion. For partial/full withdrawal, exit fee may be applicable.
- The ILP Sub-Fund will have a single “dealing” price used for all switches and withdrawals/surrenders. There is no bid/offer spread, except where the fund house imposes a charge on the underlying fund.
- The ILP Sub-Fund will be priced based on the frequency of the fund manager’s pricing policy. As units are cancelled using a forward price, the unit price for all switching and withdrawal of units will not be available at the time of receiving your application.

The cut-off time stated is correct as at the time of print. Aviva Ltd reserves the right to change the cut-off time by giving you thirty (30) days’ prior notice or any such shorter period of notice as Aviva Ltd may agree with the relevant authorities.

- The Withdrawal Amount you will receive as part of a subsequent withdrawal is illustrated as follows:

Assuming: Policy term of 10 years and the Policyholder wishes to exit in Year 5; Initial Units withdrawn = 10,000; Unit price = S\$2; Exit Fee applicable in Year 5 is S\$6,950.

Withdrawal Amount = 10,000 X S\$2 = S\$20,000

Amount payable to You = S\$20,000 – S\$6950= S\$13,050

Refer to the Pricing of Units & Dealing Deadline, Fund Switching, Withdrawal/Surrender and Free Look sections of the Product Summary for further information.
